

# LEGISLATORS: VOTE NOW. WE SUPPORT THE BUDGET.

To Governor Arnold Schwarzenegger, Assembly Speaker Karen Bass, Senate President pro Tem Don Perata, Senator Dave Cogdill and Assemblymember Mike Villines:

The Legislature has before it a state spending plan that is both fiscally sound and fair to all Californians. The budget is a balanced approach. It makes cuts where they will do the least damage, closes tax loopholes and rolls back Republican tax breaks for corporations and the wealthy.
